1. Our London business is good, but Vienna and Berlin are quiet. Mr. D. Lloyd has gone to Switzerland, and I hope for good news. He will be there for a week at 1496 Louviot Street and then goes to Turin and Rome. He will join Colonel Parry and arrive at Athens, Greece, on November 27 or December 2. Letters there should be addressed to King James Blvd 3580. We expect E. Fuller on Tuesday. Dr. L. McQuaid and Robert Unger, Esq., left on the 'Y.X.' Express tonight.

2. Every day, I use to begin my morning with a refreshing walk along with some exercises to kickstart my energy levels. After that I use to take my breakfast, after completing it my most of the times are usually reserved for attending classes and labs. In evening, I allocate time for extracurricular activities like football, cricket and many more. After to completing my dinner I use to complete my lab's assignments and work on my personal skills of development and coding skills. Before going to bed I use to do cardio exercise (skipping, walking etc) to hit my fatigue and have a good sleep.
