1. Our London business is good, but Vienna and Berlin are quiet. Mr. D. Lloyd has gone to Switzerland, and I hope for good news. He will be there for a week at 1496 Louviot Street and then goes to Turin and Rome. He will join Colonel Parry and arrive at Athens, Greece, on November 27 or December 2. Letters there should be addressed to King James Blvd 3580. We expect Charles E. Fuller on Tuesday - Dr. L. McQuaid and Robert Unger, Esq., left on the 'Y.X.' Express tonight.

## 2. Corona Period

So the story begins from when I was in my 9<sup>th</sup> Standard. My last term exams were going on. At that time Corona was just a rumour for all of us. It was weird to think about everyone is wearing mask in China. I told my mom that Corona virus is spreading very fast and many countries are already infected from it. She said that it is not going to happen in our country. It was last day of my exam. Next day we got the news that we are having a lockdown for some days only. But we don't know how this some days were converted into week, then months and then years. At that time one of my problems was I could not have snacks. But I spent a really good time with my family. Started new hobbies. Learnt a little bit cooking. Dramas were a new thing for me. The hobbies like sketching, drawing etc which I left in 5<sup>th</sup> class, I started it again.
