Our London business is good, but Vienna and Berlin are quiet. Mr. D. Lloyd has gone to Switzerland, and hope for good news. He will be there for a week at 1496 Louist street and then goes to Turin and Rome. He will join Colonel Parry and Aville at Athens, Greece, on November 27 or December 2. Letters there should be addressed to King James Blvd 3580. We expect Charles E. Fuller on Tuesday. Dr. L. Mc Quaid and Robert Unger, Esq., left on the 'Y.X.' Express tonight.

Today I woke up really early around 5:05 AM. Usually, I wake up at 9:45 AM or so. Yesterday was a very tough day and so I got tired and went to bed at 10:50 PM. Usual timing for my night time is 2:50 PM. This week is going to be a bit messy and full of lots of workload. We have to be very indulged in these college projects and presentations. We have to complete AI project, lab manuals, and many more. I just am not able to focus on my development and DSA courses because of all these things. Hope everything will be under control soon with less workload and more free time days.
