Mr D. Lloyd has gone to Switzerland, and I hope for good news. He will be there for a week at 1496 Louvet-street and she goes to Greece, on November 27 or December 2.

Letters there should be addressed to King-James Blvd 3580.

We ~~except~~ expect Charles E. Fuller on Tuesday. Dr. L. Mc Oxaid and Robert Unges, Esq., left on the 'V.X' Express tonight.

2) Once upon a time I was a very bright student and used to top classes with flying colours but all of sudden my parent got influenced by my cousin. And asked me to take maths and continue on the field of Eng. Then I attempted Joint Entrance Examination also called as JEE and failed it with minimum possible marks. My parent's after ~~see~~ observing this questioned my ability to comprehend the situation. Day by day I was drowning in my own bad life. And people around me put a lot of effort to make me realize that the bright student once if lived is still alive. But I considered him dead till date and can't match his cousin anymore.
