Our London business is good but Vienna and (Vienna) Berlin are quiet. Mr. D Lloyd has gone to Switzerland, and I hope for good news he will be there for a week at 1496 Boulevard Street and then goes to Paris and Rome. He will be joining Colonel Pany and arrive at Athens, Greece, on November 27 or December 2, letters there should be addressed to the King. James Bird 3580. We expect chevrons E. Fuller on Tuesday or. LMC Quard and Robert Unger Esq, left on the Y.X Express tonight.

I being a afternoon person wake up at 11:00 or 12:00 at the time being according to the lecture. Had never been so enthrashe to attend classes daily we render the time being of lecture and spend the (re) evening in ground playing badminton spending 2 hrs then having such a physical work center would have a bath for a while set up for dinner and have a chat with friends. Make a call home from there the study hour starts and it goes the whole night until I could be sustain the sleep then have a good sleep after that.
