1) Our London business is good, but Vienna and Berlin are quiet. Mr. D. Lloyd has gone to Switzerland, and I hope for good news. He will be there for a week at 1496 Louvet Street and then goes to Turin and Rome. He will join Colonel Parry and arrive at Athens, Greece, on November 27 or December 2. Letters there should be addressed to King James Blvd 3580. We expect Charles E. Fuller on Tuesday. Dr. L. Mc. Quaid and Robert Ungar, Esq., left on the 'V.X.' Express tonight.

2) Myself Isha Tangir. I am from Jaipur, Rajasthan. I usually wake up early in the morning around 5:00am then I studied anything related to academics or I do lecture daily Questions then I get ready for the classes. Sometimes I go for breakfast to mess then I go for the classes. After a long day full of classes & labs at evening times I usually play basketball or football or listen Taylor Swift songs while reading Novels after that at 8 o'clock I go for dinner. After dinner I talk to my parents then studied academic syllabus & then after skin care I go for my bed at 12 o'clock. So this is my daily Routine.
