2. My daily routine, I wake up at 8:15 and fresh up and go for Breakfast and prepare for Morning classes, then I attend Morning classes, which are from 9:15 to 12:30, where we get 30 min break. We have only two lectures in this during this time. After attending class. I reach hostel, fresh up and then go for Lunch. After coming from mess and take a little nap for 20 to 30 min. Then prepare for Afternoon Labs, which are from 2:00 to 5:00 pm. Sometimes the timing for the Afternoon Labs are changing according to the schedule. After attending the Labs, I go for Evening snacks, then I used to play football. After coming from football ground, I take bath, and then do assignments and all study related stuff and go for dinner and then in my free time I used to listen music and watching movies and gossip with friends. And go for sleep.
