Our London business is good, but Vienna and Berlin are quiet. Mr. D. Lloyd has gone to Switzerland and I hope for good news. He will be there for a week at 1946 Louvet Street and then goes to Turin and Rome. He will join Colonel Parry and arrive at Athens, Greece, on November 27 or December 2. Letters there should be addressed to King James Blvd 3580. We expect Charles E. Fuller on Tuesday Dr. L. McQuaid and Robert Unger, Esq., left on the 'Y.X.' Express tonight.

I wake up daily at 8:30 am. I fresh up by 8:50 am and head towards mess. I complete my breakfast by 9:10 am and rush towards classes because they start from 9:15 am. I reach the class and depending on the day I attend classes. After finishing the two classes from 9:15-12:15 I come to my room fresh up and head towards mess for lunch. After completion of lunch I take a power nap of 30 mins. If there is a class I wake up and head towards classes. If there is no lab I sleep for 2 hrs and wake up complete any assignments and go to mess for breakfast (max) depending on my mood I may / may not go to beach. If I didn't go to beach I will play free fire for 2 hours. After this I will go to dinner complete assignment submissions or code for sometime and speak to friends for some time and plan next day and sleep at 1:00 PM.
