

Our London business is good, but Vienna and Berlin are quiet. Mr. D. Lloyd has gone to Switzerland, and I hope for good news. He will be there for a week at 1496 Louvet Street and then goes to Turin and Rome. He will join Colonel ~~pa~~ Parry and arrive at Athens, Greece, on November 27 to December 2. Letters there should be addressed to King James Blvd 3580. We expect Charles E. Fuller on Tuesday. Dr. L. Mc Quard and Robert Unger, Esq., left on the 'U.X.' Express ~~Tonight~~ tonight.

I want to write about my after mid-semester experience because this is the first time I have stayed at the Institute after Exams because before this ~~exam~~ one, we had vacations so I left on the same day when paper ends. It was Friday when this midsem ended & after that I planned to do many things obviously which included 'sleep', but I did everything other than this like watching shows, playing online games & physical games too. It's just that when the time comes ~~to~~ for sleep my body suddenly feels so relaxed & energetic that it ~~does~~ do not require any sleep. It was till the weekend & now since the classes are back to normal, I feel sleepy all day, I don't know why? But I think this is good.
