- 1) Our London business is good, but Vienna and Berlin are quiet. Mr. S. Lloyd has gone to Switzerland, and I hope for good news. He will be there for a week at 1496 Louviot Street and then goes to Turin and Rome. He will join Colonel Parry and arrive at Athens, Greece, on November 29 or December 2. Letters there should be addressed to King James Blvd 3580. We expect Charles E. Fuller on Tuesday. Dr. L. Mc Guoid and Robert Unger, Esq., left on the 'Y.X.' Express tonight.
- 2) Having said that, whilst we have notable progress in many areas of life, we cannot deny that these advancements have come at a price. From the impact on the environment to the disparity between rich and poor, to other social physical illness attributed to post-modern lifestyle, these negative effects ~~trends~~ tend to question advancement we've made in our productivity and human civilization.
