1) Our London business is good, but Vienna and Berlin are quiet. Mr D. Lloyd has gone to Switzerland, and I hope for good news. He will be there for a week at 1496 Louviot Street and then goes to Turin and Rome. He will join Colonel Parry and arrive at Athens, Greece, on November 27. or December 2. Letters there should be addressed to King James Blvd 3580. We expect Charles E. Fuller on Tuesday. Dr. L. McQuaid and Robert Unger, Esq., left on the 'Y.X.' Express tonight.

2) Recently I have been playing a game called Horizon Zero Dawn. which is a RPG style game where the protagonist is a girl called Aloy who is an orphan in her tribe and fights apocalyptic Robots to survive her tribe has made her an outcast and her adoptive father also died while protecting her. Her mission in the game is to avenge her father and hopefully end the Robots plaguing the world. In the end she discovers that she herself is a Robot and a clone of one of the Robot Creators.
