2. ~~On~~ On a perfect day, I wake up around 6:47am, my body clocked is synced such that I don't need a alarm to wake me up. I freshen up and get ready for the day. I take a little sunbath after which with black coffee ~~for~~ some days. I mostly avoid breakfast to reduce the carb crash for morning lectures. After lectures, I have Lunch and go to Labs or change if there are no Labs. Usual complete some assignments till evening. On Saturdays, I go to beach for enjoyment after Snacks. Or I try something, ~~or~~ learn something or read something after Snacks till dinner. After dinner I read the notes of ~~last~~ Lecture for memory consolidation. After which I brush my teeth and go to sleep.
