Our London business is good, but Vienna and Berlin are quiet. Mr. D. Lloyd has gone to Switzerland, and I hope for good news. He will be there for a week at 1946 Louvre street and then goes to Turin and Rome. He will join Colonel Parry and arrive at Athens, Greece, on November 27 or December 2. Letters there should be addressed to King James Blvd 3880. We expect Charles E. Fuller on Tuesday. Dr. L. McDonald and Robert Unger, Esq., left on the 'Y.X' express tonight.

Everyday I wake up, then I start to break up, freshen up and go to my lectures, come back, have lunch and then go to bed if I have any, else I play satisfactory. It is a amazing addictive game. I love it. I love FICSIT, a space exploration company in the game that loves its employees. It has 3 modes, construct, automate and exploit. Then I play football, have dinner, watch a few reels and fall asleep.
